Annual General Meeting '06

So this month we've got the AGM to decide the future of the club.

Generally we've been getting more new members and less of the old members coming to the meetings but we are still making enough money on a monthly basis to more than cover the Newcastle venue.

We need to push to get some of our members to the Darlington meetings so that Darlington doesn't

eat into the Newcastle finances too much.

You've got until 31st March to get those points for this year up to scratch because at the April meeting we'll be doing the presentation to the individual and faction who've done their best. Will the Xenos defeat the Humanoids?

Catchalater Keith

Gamma Quadrant

The current issue of Gamma Quadrant is currently on hold until the outcome of the AGM. We'll see what we decide during the meet.

Meanwhile you can still send any articles to us at the usual address or via email.

We need articles. Email splik@sfne.co.uk

From the Forum/Yahogroups

What have we been talking about this month? Good question?

Apart from your illustrious leader posting some weird links to videos and trek related songs, we've been chatting about the upcoming Blakes 7 convention plus counting the days David Irving took to reply to the information surrounding the Charmed convention.

Then there was chat as to who can attend what meetings.

Missing out? To subscribe to the newsletter send an email to : neutral-zone-subscribe@yahoo.com and join in the fun.

Faction February Winners Totals

As mentioned before you've only got one more month left to change the current point totals. They will be reset at the beginning of April. There will be prizes for the faction and individual winner. So hop to it.

Last month we allocated the rest of the members to the factions. We'll also give you a chance to change your faction in April. Good luck to all.

Birthday Boys and Girl for February

We've got three birthdays for February this month.

Happy Birthdays go to David Harrison, Christopher Myers and Rebecca Renton.

Hope you have a good time, but don't eat too much. If you do make sure it's healthy, if it isn't... make sure it tastes great.

How do I fill this line up? Oh...
